PROXY SUMMARY

Date, Time and Place of Annual Meeting

The Annual Meeting of Stockholders will be held at the Old Derby Academy, 34 Main Street, Hingham, Massachusetts 02043, on Thursday, April 25, 2019, at 4:00 p.m. local time.

Purpose of the Annual Meeting

The purpose of the Meeting is: (1) to elect five Class I Directors of the Bank to serve for a three-year term; (2) to elect a Clerk of the Bank to serve for a one-year term; (3) to approve, by advisory vote, the Bank’s named executive officer compensation; (4) to approve, by advisory vote, the frequency of future executive compensation advisory votes; and (5) to transact such other business as may properly come before the Meeting and any adjournment or postponement thereof.

Record Date and Required Stockholder Vote

The Board of Directors has fixed the close of business on March 1, 2019 as the record date for the determination of stockholders entitled to receive notice of, and to vote at, the Meeting or any adjournments or postponements thereof. Only holders of record of the Bank’s Common Stock at the close of business on the record date will be entitled to notice of, and to vote at, the Meeting or any adjournments thereof. At the close of business on the record date, there were 2,132,750 shares of the Bank’s common stock, \$1.00 par value per share (the “Common Stock”) issued and outstanding. Each outstanding share of Common Stock is entitled to one vote.

The presence, in person or by proxy, of the holders of a majority in interest of Common Stock is necessary to constitute a quorum for the transaction of business at the Meeting. The five Class I Directors and the Clerk will be elected by a plurality of the votes cast. Abstentions and broker non-votes will have no effect on the outcome of the election of Directors and the Clerk. The affirmative vote of the holders of a majority of the shares voting on such matter is necessary to adopt the advisory vote on the Bank’s named executive officer compensation. Abstentions will have the same effect as a vote against this proposal. Broker non-votes will have no effect on the outcome of this proposal. The advisory vote to select the frequency of future executive compensation advisory votes will involve your consideration of three choices: every year, every two years, or

every three years. You also have the choice to abstain from voting on this item. The choice that receives the highest number of votes, even if it receives less than a majority of the shares voting on such matter at the Meeting, will be deemed the choice of the stockholders. Abstentions and broker non-votes will have no effect on the vote for this proposal.

As of February 1, 2019, the Directors and executive officers of the Bank owned in the aggregate approximately 34% of the issued and outstanding shares of Common Stock which may be voted at the Meeting.

Your proxy may be revoked at any time before it is exercised. Any stockholder of record attending the Meeting may vote in person even though he or she may have previously submitted a proxy. Your proxy may be revoked by written notice to the Bank prior to the Meeting, by delivering to the Bank a duly executed proxy bearing a later date, or by appearing in person at the Meeting and voting by ballot. If you hold your shares in “street name,” you must request a proxy from your broker, board or other nominee in order to vote at the Meeting.

PROPOSALS

Proposal One: Election of Directors (Page 7)

The Bank’s Amended and Restated Articles of Organization (the “Charter”) and By-Laws provide that the Board of Directors shall be divided into three classes, with the Directors in each class serving for a term of three years.

At the Meeting, stockholders of the Bank are being asked to elect five Class I Directors of the Bank to serve for a three-year term and until their successors are elected at the 2022 Annual Meeting of Stockholders. The Board of Directors of the Bank has nominated Howard M. Berger, Esq., Kevin W. Gaughen, Esq., Julio R. Hernando, Esq., Robert K. Sheridan, Esq. and Ronald D. Falcione, each of whom is currently serving as a Director of the Bank. See “ELECTION OF DIRECTORS (Notice Item 1).”

The Board of Directors recommends that the stockholders vote FOR the election of the five nominees.

Proposal Two: Election of Clerk (Page 36)

Under Massachusetts law, the Clerk of the Bank is to be elected by the stockholders at an annual meeting or special meeting duly called for that purpose. At the Meeting, the stockholders of the Bank are being asked to elect Jacqueline M. Youngworth, the nominee proposed by the Board of Directors, as Clerk of the Bank to serve until the 2020 Annual Meeting of Stockholders, or special meeting in lieu thereof, and until her successor is elected and qualified. See “ELECTION OF CLERK (Notice Item 2).”

The Board of Directors recommends that the stockholders vote FOR the election of Jacqueline M. Youngworth as Clerk of the Bank.

Proposal Three: Advisory Vote on Executive Compensation (Page 36)

The Board of Directors is committed to excellence in governance and the development and retention of the highest quality management team. At the Meeting, as part of that commitment, the Board is providing stockholders the opportunity to approve an advisory vote on the compensation of our named executive officers.

See “ADVISORY VOTE ON EXECUTIVE COMPENSATION (Notice Item 3).”

The Board of Directors recommends that the stockholders vote FOR the approval of the compensation of the Bank’s named executive officers as disclosed pursuant to the Securities and Exchange Commission’s compensation disclosure rules.

Proposal Four: Advisory Vote on the Frequency of Future Executive Compensation Advisory Votes (Page 37)

As part of the Bank’s commitment to excellence in corporate governance, and as required by federal securities laws, the Board of Directors is providing stockholders with an opportunity to cast a non-binding advisory vote regarding the frequency of future executive compensation advisory votes. Stockholders may vote for a frequency of every one, two or three years, or may abstain from casting a vote. SEE “ADVISORY VOTE ON THE FREQUENCY OF FUTURE EXECUTIVE COMPENSATION ADVISORY VOTES (Notice Item 4).”

The Board of Directors recommends that the stockholders vote for a frequency of every “ONE YEAR” for future executive compensation advisory votes.

Other Business

The Board of Directors knows of no other business to be considered at the Meeting, and the deadline for stockholders to submit proposals or nominations has passed. However, if (1) other matters are properly presented at the Meeting, or at any adjournment or postponement of the Meeting and (2) you have properly submitted your proxy, then the persons named in the enclosed proxy will vote your shares on those matters as determined by a majority of the Board of Directors.

ELECTION OF DIRECTORS

(Notice Item 1)

The Board of Directors currently consists of sixteen members, divided into three classes as nearly equal in number as possible. Each nominee elected at the Meeting will hold office for a three-year term and until his or her successor is duly elected and qualified, or until his or her earlier resignation, death or removal. Edward L. Sparda will no longer serve as Director after the Meeting. In order to maintain balanced Board classes, Ronald D. Falcione, a former Class III Director, resigned and was reappointed as a Class I Director effective February 28, 2019. Thus, after the Meeting, the Board of Directors will consist of 15 members, divided into three equal classes.

The names of the five nominees for Class I Directors and certain information received from them are set forth below. All five of the nominees are currently Directors and each nominee has consented to serve if elected. If any nominee shall become unavailable for any reason, the shares represented by the enclosed proxy will be voted in favor of such other person as the Board of Directors may at the time recommend. The following tables list the name of each nominee, his or her age, period of service as a Director of the Bank, positions with the Bank, principal occupation and other directorships held. Other than Robert H. Gaughen, Jr., the Chairman and Chief Executive Officer of the Bank and Patrick R. Gaughen, President and Chief Operating Officer, none of the Directors or nominees is or has been an employee of the Bank or any of its affiliates. In evaluating Directors and nominees, the Board believes that Directors should possess substantial business or functional expertise, integrity, an owner-oriented attitude, and a deep interest in the Bank's affairs. In the judgment of the Nominating and Personnel Committee, as well as the Board of Directors as a whole, each of the nominees possesses such attributes. A quorum being present, the affirmative vote of the holders of a plurality of shares is required to elect each of the nominees to serve on the Board of Directors.

The Board of Directors recommends that the stockholders vote FOR the election of the five nominees.

-
- (1) Robert H. Gaughen, Jr., Chief Executive Officer and a Director of the Bank, and Kevin W. Gaughen, a Director of the Bank, are brothers. Patrick R. Gaughen, President and Chief Operating Officer and a Director of the Bank, and Director Kara Gaughen Smith are the children of Robert H. Gaughen, Jr., and nephew and niece of Kevin W. Gaughen. They are also cousins of Director Robert A. Lane and Director Julio R. Hernando. Directors Robert A. Lane and Julio R. Hernando are cousins, and they are both nephews of Robert H. Gaughen, Jr. and Kevin W. Gaughen. Directors Kevin W. Gaughen, Robert A. Lane and Julio R. Hernando are partners in the practice of law.

The Board of Directors has determined that Howard M. Berger; Michael J. Desmond; Ronald D. Falcione; Brian T. Kenner; Scott L. Moser; Stacey M. Page; Robert K. Sheridan; Geoffrey C. Wilkinson, Sr.; and Jacqueline M. Youngworth, who together constitute a majority of the full Board, are independent as that term is defined by the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and the NASDAQ

MEETINGS OF THE BOARD OF DIRECTORS; BOARD STRUCTURE

The Board of Directors, which met twelve times in 2018, has four principal standing committees: the Executive Committee, the Audit Committee, the Nominating and Personnel Committee and the Community Interaction Committee. The Board meets every month to review the Bank's performance and exposure to risk. Additionally, the independent Directors conduct a quarterly meeting chaired by the Chairperson of the Nominating and Personnel Committee, the purpose of which is to allow for discussion of items which any member wishes to raise in the absence of the non-independent members.

The Executive Committee, composed of eight Directors, oversees the management policies and affairs of the Bank. This Committee met twenty-five times in 2018. The current members of the Executive Committee are: Michael J. Desmond, Ronald D. Falcione, Patrick R. Gaughen, Kevin W. Gaughen, Robert H. Gaughen, Jr., Robert A. Lane, Julio R. Hernando and Jacqueline M. Youngworth.

The Nominating and Personnel Committee, composed of three Directors, oversees matters pertaining to the nomination of Directors and officers and other personnel and compensation matters. This Committee also serves as the Bank's Compensation Committee and Stock Option Committee. A copy of the charter of the Nominating and Personnel Committee appears on the Investors Materials page of the Bank's website, www.hinghamavings.com/investor-materials. This Committee met three times in 2018. The current members of the Nominating and Personnel Committee are: Howard M. Berger, Michael J. Desmond and Jacqueline M. Youngworth. The Board of Directors has determined that all current members of the Nominating and Personnel Committee are independent, as that term is defined by applicable NASDAQ rules. The Nominating and Personnel Committee is authorized to retain attorneys, advisers, and consultants and to compensate them for their services.

The Nominating and Personnel Committee also makes recommendations to the full Board of Directors for nominations for Directors to be elected at each Annual Meeting of Stockholders and considers stockholder proposals for such nominations. For information regarding procedures for submitting stockholder proposals, see "STOCKHOLDER PROPOSALS."

The Audit Committee, composed of six Directors, approves the Bank's annual audit, retains the Bank's external and internal auditors and presents the audit report to the Board of Directors. A copy of the charter of the Audit Committee appears on the Investors Materials page of the Bank's website, www.hinghamavings.com/investor-materials. This Committee met four times in 2018. The Audit Committee meets at least quarterly with senior management, internal auditors and loan reviewers and also meets at least semi-annually with the Bank's independent auditors. The Committee also meets independently with the internal auditor, loan reviewers, and the independent auditor on a regular basis, without management present. The current members of the Audit Committee are: Howard M. Berger, Brian T. Kenner, Scott L. Moser, Stacey M. Page, Robert K. Sheridan and Geoffrey C. Wilkinson. The Board of Directors has determined that all members of the Audit Committee are "independent" and "independent of management," within the meaning of applicable rules of the Securities and Exchange Commission and NASDAQ, and that Mr. Sheridan, an independent member of the Audit Committee, is an "audit committee financial expert" as that term is defined by the Securities and Exchange Commission in light of his experience as the long-serving President and Chief Executive Officer of the Savings Bank Life Insurance Company of Massachusetts.

The Community Interaction Committee, currently composed of eight Director members, formulates and reviews Bank policies and practices relating to community reinvestment and fair lending efforts. This Committee

met four times in 2018 and the current members are: Ronald D. Falcione, Kevin W. Gaughen, Robert H. Gaughen, Jr., Julio R. Hernando, Robert K. Sheridan, Kara Gaughen Smith, Edward L. Sparda and Geoffrey C. Wilkinson, Sr.. Edward L. Sparda will no longer serve as a Director of the Bank after the Meeting. Therefore, the Community Interaction Committee will be composed of seven Directors after the Meeting.

In 2018, each of the Directors of the Bank attended at least 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by committees thereof on which any such Director served (for such period of the year as he or she served on such committee). Pursuant to Bank policy, all of the Bank's Directors are encouraged and expected to attend the Bank's Annual Meeting of Stockholders. All of the Bank's current Directors were in attendance at the Bank's 2018 Annual Meeting of Stockholders, with the exception of Michael J. Desmond.

The Board of Directors believes that maintaining a combined Chairman of the Board and Chief Executive Officer role is the appropriate and most effective form of Board leadership structure. Such a structure provides for a focused Board effort which utilizes an involved committee structure to provide comprehensive and meaningful oversight. However, the Board recognizes the critical oversight role it plays in the Bank's corporate governance. Accordingly, the Board employs three bodies – the Executive Committee, the Audit Committee and the full Board – to provide comprehensive and meaningful oversight. The Executive Committee meets two times a month with senior management, including the Chief Executive Officer and the President, to review financial information, loan proposals, overdue loans, asset liability management, and exposure to risk. Given the composition of this Committee, the frequency of its meetings, its broad access to operational staff and risk metrics, and its broad oversight mandate, the Board believes that the Executive Committee obviates the need for a (i) lead outside director and (ii) a separation of the Chairman and Chief Executive Officer roles. Finally, the Board conducts executive sessions of independent Directors as deemed necessary from time to time and as otherwise required by the NASDAQ rules.

Director Candidates and Qualifications

Stockholders of the Bank may recommend Director candidates for inclusion by the Board of Directors in the slate of nominees which the Board recommends to stockholders for election. The qualifications of recommended candidates will be reviewed by the Nominating and Personnel Committee (the "Committee"). If the Board determines to nominate a stockholder-recommended candidate and recommends his or her election as a Director by the stockholders, his or her name will be included in the Bank's proxy card for the stockholder meeting at which his or her election is recommended.

Stockholders may recommend individuals to the Committee for consideration as potential Director candidates by submitting their names and background to: Jacqueline M. Youngworth, Chairman of the Nominating and Personnel Committee, Hingham Institution for Savings, 55 Main Street, Hingham, MA 02043. The Committee will consider a recommendation only if appropriate biographical information and background material is provided on a timely basis. The process followed by the Committee to identify and evaluate candidates includes requests to Board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Committee and the Board. Assuming that appropriate biographical and background material is provided for candidates recommended by stockholders, the Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by Board members or by other persons.

In considering whether to recommend any candidate for inclusion in the Board's slate of recommended Director nominees, including candidates recommended by stockholders, the Committee will apply the criteria

which are set forth in the Committee's charter and otherwise consider such candidate's qualifications and skill set. These criteria may include the candidate's integrity, business acumen, experience, diligence, conflicts of interest and the ability to provide a diversity of views and experience on issues under consideration and to act in the interests of all stockholders. Directors at Hingham Institution for Savings must be owner-oriented. The Committee and the Board of Directors believe, in general, that Directors should have a meaningful portion of their net worth invested in the Bank. The Committee does not assign specific weights to particular criteria and does not have a formal diversity policy. No particular criterion is necessarily applicable to all prospective nominees. The Bank believes that the backgrounds and qualifications of the Directors, considered as a group, should provide a significant and diverse mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

The Board does not have a mandatory retirement age for Directors and has no plans to adopt one. Although increasingly common, there is no strong empirical evidence that this restriction improves long-term corporate performance. The Board believes, in contrast to received wisdom in the banking industry, that this practice may deprive corporations of substantial expertise and valuable counsel.

Stockholder Communications

The Board will give appropriate attention to written communications that are submitted by stockholders. The Chairman of the Board is primarily responsible for monitoring communications from stockholders and for providing copies or summaries of such communications to the other Directors as he considers appropriate.

Communications are forwarded to all Directors if they relate to important substantive matters and include suggestions or comments that the Chairman of the Board considers to be important for the Directors to know.

Stockholders who wish to send communications on any topic to the Board or to specified Directors should address such communications in care of Robert H. Gaughen, Jr., Chairman of the Board of Directors, at Hingham Institution for Savings, 55 Main Street, Hingham, MA 02043.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Nominating and Personnel Committee of the Board, in addition to its other responsibilities, serves as the Bank's Compensation Committee. It annually reviews the compensation and benefits of senior management and makes recommendations about compensation to the full Board of Directors. It solicits observations and recommendations from the Chief Executive Officer with regard to the performance of other individual members of senior management and invites his participation in their discussions before they deliberate and make their decisions. As part of the Bank's commitment to strong corporate governance, given the family relationship between the Chief Executive Officer and the President and Chief Operating Officer, the Nominating and Personnel Committee also directly reviews the performance of the President and Chief Operating Officer and reviews the same with the full Board of Directors.

The Committee's compensation philosophy is to set management compensation at such levels as to attract and retain senior executives who will contribute to the long-term success and growth of the Bank. Senior management is compensated primarily through annual base salary and the long-term and short-term employee benefits described below, supplemented occasionally by bonuses and stock option grants. The single instance where the Committee has employed a limited bonus plan to reward performance is a plan for loan officers

which is intended to reward the effective administration of a high-quality loan portfolio. These awards take into consideration established internal performance goals but are made at the complete discretion of the Committee and the Board of Directors in order to take into account all factors which become relevant during the course of the year and are not driven solely by volume. The Committee does not consider these awards to be “incentive” compensation as defined in the Dodd-Frank Wall Street Reform and Consumer Protection Act. The awards do not generally exceed 15% of a listed individual’s total compensation and any risks arising from the Bank’s compensation policies and practices are not reasonably likely to have a material adverse effect on the Bank, as the loan officers have no individual lending authority. The Committee’s practices in regard to the mix of components within the executives’ overall compensation packages has developed for a number of reasons:

- The Committee’s philosophy has been to compensate primarily by means of annual base compensation due to its belief that a larger base compensation reflects management’s actual long-term value to the Bank. In this respect, the Committee does not believe in providing an arbitrarily low base compensation.
- The Committee believes that short-term period-to-period changes in performance metrics do not drive the intrinsic value of the Bank in a fundamental way. The Committee is also cognizant of relevant experience within the commercial banking and thrift industries which counsels against providing management with strong incentives to attain short-term performance goals. As such, the Committee limits the number of short-term bonuses which are provided to executives. The two most senior officers - Robert H. Gaughen, Jr. and Patrick R. Gaughen - do not receive bonuses.
- The Committee also believes that existing levels of stock ownership by management and the Board generally establish sufficient alignment of stockholder and management interests. No stock options were granted to management in 2018.

In establishing its annual compensation recommendations for Mr. Gaughen and the other executives, the Committee considers the Bank’s current and long-term return on assets, return on equity, increases in book value per share and dividends declared, and operational efficiency. Long-term increases in the size of the loan and deposit portfolios are considered insofar as they may drive performance in the above metrics. The Committee additionally considers statistics regarding general compensation levels in the industry and the Committee’s qualitative assessment of each executive’s own performance for the year as that performance relates to maximizing long-term value for the Bank’s ownership. In doing so, the Committee members exercise their collective judgment without following quantitative formulas tying compensation to particular measures of financial performance or to particular deciles or quartiles of industry-wide or peer-group compensation. In 2018, the Committee retained Arthur T. Warren and Associates for the purpose of reviewing the Bank’s executive compensation levels and practices with respect to the Bank’s peers. The firm confirmed the reasonability of both the Bank’s executive compensation levels and practices.

The Bank has employment agreements in place with Robert H. Gaughen, Jr., Patrick R. Gaughen, and Shawn T. Sullivan which (i) have a two-year period (three years for Robert H. Gaughen, Jr. and Patrick R. Gaughen), (ii) prohibit the executive from leaving the Bank to compete at another bank or savings institution within a specified geographic area and (iii) provide for continuation of salary and, in the case of Robert H. Gaughen, Jr. and Patrick R. Gaughen, benefits during the remaining term of the agreement if the Bank terminates the executive without cause during that time. If termination without cause or a resignation for good reason occurs after a change in control, as defined, the executive would instead receive a lump sum payment equal to two times his or her five-year average compensation, less one dollar and less any special bonus paid in connection with the change in control, as defined (three times in the case of Robert H. Gaughen, Jr. and 2.99 with the case of Patrick R. Gaughen). In the case of Cristian A. Melej and James J. Dell’Anno, each has a

Change in Control Agreement providing for payment equal to two times the highest rate of Base Salary and annual cash bonus earned during the calendar year of termination or either of the two preceding years, as well as certain employee benefits. See “Employment Agreements and Special Termination Agreements.” The Committee considers that such agreements offer reasonable incentives to retain valued executives.

Although the Bank has historically had in place supplemental retirement provisions for Robert H. Gaughen Jr., in April 2018, at the mutual agreement of the Bank and Robert H. Gaughen Jr., the Supplemental Executive Retirement Plan (SERP) was terminated as part of a recodification of Mr. Gaughen’s employment agreement. This allowed the Bank to simplify its internal pay and benefit processes. It did not result in a material change to the level of Mr. Gaughen’s total compensation. The Bank does not maintain deferred compensation arrangements or supplemental retirement provisions for any members of management. All executives benefit from the Bank’s matching contributions to the Bank’s 401(k) plan, which provides for an option for all full-time employees to purchase shares in the Bank at market prices.

The Committee considers the results of our shareholder advisory vote on the Bank’s executive compensation as part of its determination regarding the amount and mix of compensation awarded to our executive officers. At our 2017 Annual Meeting, our stockholders approved an advisory vote on executive compensation with approximately 98.7% of shares present and voting on such matter voting in favor. At our 2018 Annual Meeting, our stockholders approved an advisory vote on the Bank’s executive compensation with approximately 96.8% of shares present and voting on such matter voting in favor. The Committee believes that the support received from our stockholders at the 2017 and 2018 Annual Meetings serves to validate the Committee’s approach to compensation, and the Committee did not make any changes in 2018 in response to the votes at the 2017 and 2018 Annual Meetings.

Pay Ratio Disclosure

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information about the relationship of the annual total compensation of our employees and the annual total compensation of Robert H. Gaughen, Jr., our Chief Executive Officer (our “CEO”):

For 2018, our last completed fiscal year:

- the median of the annual total compensation of all employees of our Bank (other than our CEO) was \$67,464; and
- the annual total compensation of our CEO, as reported in the Summary Compensation Table included elsewhere in this Proxy Statement, was \$1,894,662.

Based on this information, for 2018 the ratio of our Chief Executive Officer’s annual total compensation

was 28.1 times that of the median of the annual total compensation of all employees.

To identify the median of the annual total compensation of all our employees, as well as to determine the annual total compensation of our median employee and our CEO, we took the following steps:

1. We determined that, as of December 31, 2018, our employee population consisted of approximately 95 individuals, all located in the United States. This population consisted of our full-time, part-time, and temporary employees.
2. To identify the “median employee” from our employee population, we compared the amount of salary, wages, and tips of our employees as reflected in our payroll records as reported to the Internal Revenue Service on Form W-2 for 2018.
3. We identified our median employee using this compensation measure, which was consistently applied to all our employees included in the calculation. Since all our employees are located in the United States, as is our CEO, we did not make any cost-of-living adjustments in identifying the “median employee.”
4. Once we identified our median employee, we combined all of the elements of such employee’s compensation for 2018 in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, resulting in annual total compensation of \$67,464. The difference between such employee’s salary, wages, tips, and overtime pay and the employee’s annual total compensation represents the estimated value of the 401(k) plan matching and profit sharing contributions paid to the employee by the Bank.
5. With respect to the annual total compensation of our CEO, we used the amount reported in the “Total” column of our 2018 Summary Compensation Table included in this Proxy Statement.

Retirement and Other Post-Employment Compensation

NONQUALIFIED DEFERRED COMPENSATION

The following table contains information about the supplemental executive retirement plan described below, which is included within the category of nonqualified deferred compensation under definitions contained in applicable securities regulations.

<u>Name</u>	Executive Contributions in Last FY (\$)	Registrant Contributions in Last FY (\$) ⁽¹⁾	Aggregate Earnings in Last FY (\$)	Aggregate Withdrawals/ Distributions (\$) ⁽²⁾	Aggregate Balance at Last FYE (\$)
Robert H. Gaughen, Jr.	-	201,222	-	201,222	-

-
- (1) This amount has been included in the Summary Compensation Table in the columns headed “Change to Pension Value and Nonqualified Deferred Compensation Earnings” and “Total.”
- (2) Under this arrangement, in contrast to a deferred compensation arrangement under which the employer retains control of each year’s amount and the employee receives a tax deferral until the amount is distributed to, or controlled by, him or her, the Bank’s contributions each year are paid out to a trust established for the executive. The executive has immediate control over the full amount of the contribution, including the power to distribute it to himself or herself, and is taxed immediately on the full amount of the contribution in the year of contribution. Accordingly, the full contribution has been treated as having been distributed to the executive in the year of contribution. This type of trust is commonly called a secular trust, in contrast to a so-called rabbi trust which is controlled by the employer rather than by the executive and which involves no tax liability to the executive until the year in which the executive obtains control over the funds in the trust. This arrangement was terminated on April 26, 2018.

The Bank’s retirement plans are as follows:

401(k) Plan. Each employee having completed three months of continuous service beginning with such employee’s date of employment becomes a participant in the Bank’s 401(k) plan, administered by the Savings Bank Employee Retirement Association. Each eligible employee may defer up to 75% of his or her income on a tax-favored basis up to applicable Internal Revenue Service limits. The Bank’s matching contribution policy is to contribute \$0.50 for each dollar contributed by the employee up to a maximum matching contribution equal to 3% of the employee’s yearly compensation. The Bank’s matching contribution is limited to the IRS’ maximum compensation limit, which was \$275,000 in 2018. Additionally, the Bank makes a contribution equal to 3% of yearly compensation for all 401(k) participants whether or not they choose to make any contributions. All participants become fully vested after two years of service or age 59½, if earlier. Bank officers participate in the plan on the same basis as all other employees.

Defined Benefit Plan. The Bank does not have a defined benefit retirement plan (“pension plan”).

Supplemental Executive Retirement Agreements. The Bank no longer has any Supplemental Retirement Agreements.

In 2002, the Bank established a supplemental executive retirement plan, as amended in 2003, 2006, 2007, and 2009 for the benefit of Robert H. Gaughen, Jr. and the Bank. This plan was in place until April 26, 2018, when it was terminated at the time the Bank executed a new employment agreement (the “2018 Employment Agreement”) with Mr. Gaughen. See “Employment Agreements and Special Termination Agreements.” The main provisions of this plan, some of which were incorporated into the 2018 Employment Agreement, are described below.

- *Supplemental Executive Retirement Plan (“SERP”)*: Under this plan, the Bank made regular contributions to a secular trust controlled by Mr. Gaughen. Mr. Gaughen had immediate control over the full amount of the contribution, including the power to distribute it to himself, and was taxed immediately on the full amount of the contribution in the year of contribution. The Bank was entitled to an equivalent tax deduction in the year of contribution subject to limitation on deductions of compensation over \$1 million in total. The annual contributions from inception of the plan through Mr. Gaughen’s anticipated year of retirement were scheduled when the plan was established and were designed so as to produce a sum of money (assuming investment gains of 6% per year) that would produce a certain retirement income to Mr. Gaughen of \$314,033 per year (assuming retirement at age 62 in 2011). On October 21, 2009, Mr. Gaughen’s plan was amended to continue payments beyond 2011 at the 2010 rate until such time as Mr. Gaughen retires. The SERP plan was terminated effective April 26, 2018. Expense related to these distributions amounted to \$201,222 for the year ended December 31, 2018.
- *Bank Owned Life Insurance*: In connection with the above SERP, the Bank purchased life insurance policies at a total cost of \$10,109,000 and contributed them to a rabbi trust. The purpose of the rabbi trust was to make distributions to the secular trust for the individual if the Bank did not make timely payment of the SERP contributions. The Bank owns the insurance policies held in the rabbi trust. In 2007, these policies were decoupled from the SERP plan and a fixed death benefit of \$4,000,000 was established payable to Mr. Gaughen’s designated beneficiaries, provided that the death benefit will be reduced to \$2,183,000 upon his attaining the age of 80 (“death benefit”). This benefit was incorporated in Mr. Gaughen’s employment agreement at the time. On April 26, 2018, the SERP plan was terminated and the secular and rabbi trusts were left with no effect. The death benefit was incorporated in the 2018 Employment Agreement in the same terms. The Bank makes annual non-cash charges against earnings in anticipation of this event. In 2018, these charges amounted to \$73,636, which amount is based on actuarial assumptions rather than on insurance premiums or contributions. The cash surrender value of all the insurance policies owned by the Bank at December 31, 2018 was \$12,476,000. The death benefit of the insurance policies owned by the Bank at December 31, 2018 was approximately \$21,975,000.
- *Post-Retirement Health Care*: In 2006, Mr. Gaughen’s employment agreement was revised to provide for post-retirement health insurance coverage (“health benefit”). It was also amended to reflect his voluntary waiver of his right to accelerate payment of all supplemental retirement benefits upon early retirement on a date of his choosing. The Bank established an unfunded post-retirement health benefit plan for Mr. Gaughen at that time and began making non-cash charges against earnings. The health benefit was incorporated in the 2018 Employment Agreement in the same terms. In 2018, the Bank made non-cash charges of \$36,121 in accordance with generally accepted accounting principles, although no cash premiums or contributions were paid.

Employment Agreements and Special Termination Agreements

Robert H. Gaughen, Jr., the Bank's Chief Executive Officer, has entered into an employment agreement with the Bank dated April 26, 2018. This agreement superseded the prior employment agreement dated November 20, 1995. The new employment agreement terminated the SERP, increased Mr. Gaughen's salary accordingly and incorporated the existing death and health benefits. See "Retirement and Other Post-Employment Compensation." All other terms and conditions remained unchanged. Mr. Gaughen's salary is subject to review and adjustment no less frequently than annually, in an amount reflecting cost-of-living increases as well as any merit increases which the Board of Directors may consider appropriate. Mr. Gaughen's annual salary is currently \$1,890,739, and he is eligible to participate on an equitable basis in all of the Bank's bonus and fringe benefit plans, subject to applicable eligibility requirements. Furthermore, Mr. Gaughen's employment agreement provides that he may not be required to relocate outside the Bank's primary geographic area. The contract currently provides for a term ending in April 2021. Unless either party gives written notice to the contrary, the term of the agreement shall be extended for successive one-year periods in April of each year, provided that the then remaining term of the contract never exceeds three years.

Patrick R. Gaughen, the Bank's President and Chief Operating Officer, has entered into an employment agreement with the Bank dated April 24, 2014, which provides that Mr. P. Gaughen's salary is subject to review and adjustment no less frequently than annually, in an amount reflecting cost-of-living increases as well as any merit increases which the Board of Directors may consider appropriate. This agreement was amended in April 26, 2018 to update Mr. P. Gaughen's title to President and Chief Operating Officer. All other terms and conditions of the contract remained unchanged. Mr. P. Gaughen's annual salary is currently \$650,000, and he is eligible to participate on an equitable basis in all of the Bank's bonus and fringe benefit plans, subject to applicable eligibility requirements. Furthermore, Mr. P. Gaughen's employment agreement provides that he may not be required to relocate outside the Bank's primary geographic area. The contract currently provides for a term ending in April 2021. Unless either party gives written notice to the contrary, the term of the agreement shall be extended for successive one-year periods in April of each year, provided that the then remaining term of the contract never exceeds three years.

Cristian A. Melej, the Bank's Vice President - Chief Financial Officer, has entered into a change in control agreement with the Bank dated October 17, 2016. Mr. Melej's annual salary is currently \$421,200, and he is eligible to participate on an equitable basis in all of the Bank's bonus and fringe benefit plans, subject to applicable eligibility requirements. The contract is reviewed annually to determine whether it will be extended for one-year periods and currently provides for a term ending in April 2020. Unless either party gives written notice to the contrary, the term of the agreement shall be extended for successive one-year periods in April of each year, provided that the then remaining term of the contract never exceeds two years.

Shawn T. Sullivan, the Bank's Vice President - Commercial Lending, has entered into an employment agreement with the Bank dated April 29, 1999. Mr. Sullivan's annual salary is currently \$354,627 and he is eligible to participate on an equitable basis in all of the Bank's bonus and fringe benefit plans, subject to applicable eligibility requirements. Furthermore, Mr. Sullivan's employment agreement provides that he may not be required to relocate outside the Bank's primary geographic area. The contract is reviewed annually to determine whether it will be extended for one-year periods and currently provides for a term ending in April 2020. Unless either party gives written notice to the contrary, the term of the agreement shall be extended for successive one-year periods in April of each year, provided that the then remaining term of the contract never exceeds two years.

James J. Dell'Anno, the Bank's Vice President - Retail Lending, has entered into a change in control agreement with the Bank dated November 26, 2018. Mr. Dell'Anno's annual salary is currently \$225,000, and

he is eligible to participate on an equitable basis in all of the Bank's bonus and fringe benefit plans, subject to applicable eligibility requirements. The contract is reviewed annually to determine whether it will be extended for one-year periods and currently provides for a term ending in April 2021. Unless either party gives written notice to the contrary, the term of the agreement shall be extended for successive one-year periods in April of each year, provided that the then remaining term of the contract never exceeds two years.

Each of the employment agreements described above for Robert H. Gaughen, Jr., Patrick R. Gaughen and Shawn T. Sullivan has similar termination and change-in-control provisions. Should the executive resign during the term of the contract, without the approval of the Board of Directors or in some circumstances following a change in control, as described above, the executive will forfeit all rights under the agreement and the Bank is entitled, among other things, to have the executive enjoined from working for another bank or thrift institution in Plymouth, Barnstable, or Norfolk County or certain other areas of Massachusetts during the remaining term. The Bank is entitled to terminate the executive's employment at any time with or without cause. Termination without cause requires the payment of severance pay in amounts equal to the executive's salary over the remaining term of the contract, plus continuation of employee benefits during such period for Robert H. Gaughen, Jr. and Patrick R. Gaughen. Such payment is not to be reduced by any compensation which the executive may subsequently earn from other sources.

Special rules apply if there is a change in control (as defined in the agreements) of the Bank during the term of each of the employment agreements. If the executive were to be terminated by the Bank other than for cause or resign for good reason in connection with or within one year after such a change in control, he or she would be entitled to receive a lump sum cash payment (in lieu of his or her regular severance pay) equal to a multiple of their average annual compensation with respect to the five most recent taxable years ending prior to such change in control (or such portion thereof as they were full-time employees of the Bank), less one dollar and less any special bonus paid in connection with the change in control (three times this amount, in the case of Robert H. Gaughen, Jr., 2.99 times in the case of Patrick R. Gaughen, and twice this amount, in the case of Mr. Sullivan). If such lump sum cash payments had been made on December 31, 2018, the approximate amounts payable would have been \$5,277,266 for Mr. R. Gaughen, \$1,425,704 for Mr. P. Gaughen and \$852,495 for Mr. Sullivan. If the executive were to terminate his or her employment voluntarily for good reason, as defined below, in connection with or within one year after a change in control, he or she would be entitled to receive a similar lump sum cash payment. "Good reason" includes a reduction in compensation, a forced relocation, material increase in the executive's duties, or a material decrease in the executive's position.

In the case of Mr. Melej and Mr. Dell'Anno, the executive would be entitled to receive a lump sum cash payment (in lieu of his regular severance pay) equal to two times the sum of his highest rate of base salary and the highest annual cash bonus earned during the current calendar year of termination and either of the two calendar years immediately preceding the date of termination. In addition, certain employee benefits would also be provided. If such lump sum cash payment had been made on December 31, 2018, the approximate amount payable to Mr. Melej would have been \$842,400 and the amount payable to Mr. Dell'Anno would have been \$450,000. If the executive were to terminate his or her employment voluntarily in connection with or within one year after a change in control, he or she would be entitled to receive a similar lump sum cash payment.

Finally, all unvested stock options granted to the executives will vest in the event of a change in control of the Bank.

The executives are not entitled to receive any of the foregoing payments to the extent that such payments would be considered excess "parachute payments" under the Internal Revenue Code of 1986, as amended. Federal legislation authorizes the Federal Deposit Insurance Corporation under certain circumstances to prohibit or limit payments that are contingent on the termination of a person's employment with an insured depository

institution.

More Information about Plans and Agreements

The preceding discussion of executive compensation contains descriptions of various employee benefit plans and employment-related agreements. These descriptions are qualified in their entirety by reference to the full text or detailed descriptions of the plans and agreements which are filed as exhibits to the Bank's Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

DIRECTOR COMPENSATION

Directors of the Bank receive \$1,500 for each Board of Directors meeting they attend. No such fees were paid to members of the Board of Directors who are also full-time employees of the Bank. The clerk of the Bank receives a stipend of \$12,000 per annum plus an additional fee of \$250 per meeting attended.

Each member of a committee of the Board of Directors receives \$1,500 for each committee meeting attended. The clerk and chairman of these committees each receive an additional fee of \$250 per meeting attended. None of these fees applies to any Director who is also an employee of the Bank. In addition to the above, Executive Committee members are required by Bank policy to perform certain revaluations of commercial real estate loan collateral and construction loan inspections. Members are paid \$300 per construction inspection. Board compensation is reviewed and approved by the Board annually. As noted elsewhere in this document, the Board believes that Directors should be owner-oriented and should have a meaningful portion of their net worth invested in the Bank.

The following table presents Director compensation for the year ended December 31, 2018.

Section 16(a) Beneficial Ownership Reporting Compliance

The Bank is required to identify in its annual proxy statement each officer, Director and 10% stockholder who has failed to file on a timely basis reports required by Section 16(a) of the Exchange Act. The Bank is not aware of any such failures to file with respect to the year ended December 31, 2018.

Compensation Committee Interlocks and Insider Participation

The current members of the Nominating and Personnel Committee, the Bank’s Compensation Committee, are Mr. Berger, Mr. Desmond and Mrs. Youngworth. No member of the Nominating and Personnel Committee was at any time during the fiscal year ended December 31, 2018 an employee of the Bank, and none was an officer of the Bank with the exception of Mrs. Youngworth, the Director who serves as the Bank’s Clerk, nor has any member of the Nominating and Personnel Committee had any relationship with the Bank requiring disclosure under Item 404 of Regulation S-K under the Exchange Act.

None of the Bank’s executive officers has served as a Director or member of the Compensation Committee (or other committee serving an equivalent function) of any other entity, one of whose executive officers served as a Director of or member of the Nominating and Personnel Committee.

CERTAIN TRANSACTIONS WITH MANAGEMENT AND ASSOCIATES

Indebtedness of Management and Associates

In November 1993, the Bank adopted a policy providing that the Bank will not extend credit (excluding passbook loans) to Directors and Officers of the Bank, Principal Stockholders, their related interests, or any entities in which Directors or Officers or Principal Stockholders have a significant financial interest. This policy was informed by the experience of the Directors at that time as private investors in New England banks and thrifts, including the Bank, that suffered significant losses because of poor controls over insider lending. The Board believes this policy has been validated by more recent bank failures in which insider lending contributed to significant losses. The Board strongly believes that insider lending, even when well-intentioned and subject to internal controls, poses an unacceptable risk to the Bank. Through this policy, the Bank seeks to eliminate this risk rather than manage it.

To the extent the Bank has extended any fully secured passbook loans to Directors, Officers, Principal Stockholders, or related interests, Bank’s management at the time of the origination of such loans represented them as having been made in the ordinary course of business and on substantially the same terms, including interest rates, as those prevailing at the time for comparable transactions with unaffiliated persons. At December 31, 2018, no such loans were outstanding.

Other Transactions

The Bank may engage in additional transactions with, or use products or services of, Directors, nominees for Director, principal officers, principal stockholders or various organizations in which such persons may have interests or of which such persons may be Directors, nominees for Director, officers, partners or principal stockholders. With respect to the year ended December 31, 2018, unless specifically disclosed herein, any amounts so involved have in no case been material in relation to the business of the Bank, and it is believed that other than as described below, the amount involved in any such transaction or series of transactions did not exceed \$60,000 and was not otherwise material in relation to the business of any such person or other

organization.

During 2018, the Bank paid legal fees to the law firm of Gaughen, Gaughen, Lane & Hernando LLP. These fees amounted to \$1,895,689 in connection with representation of the Bank in connection with commercial and residential mortgage loan originations, foreclosure and collection actions and certain other routine litigation. Additionally, the Bank paid \$1,041,447 in agency fees for title insurance due to the firm in connection with loan originations. All of the above described legal fees and title insurance fees paid to the law firm of Gaughen, Gaughen, Lane & Hernando LLP have been reimbursed to the Bank by its borrowers, with the exception of \$213,311. These “unreimbursed” fees are primarily associated with foreclosure and collection matters and the Bank generally collects these fees from borrowers upon resolution of a troubled loan through foreclosure, litigation, or the loan returning to performing status. The Bank believes that the foregoing sums have been reasonable in relation to the services provided to the Bank. All of these services are provided pursuant to a written master agreement between the Bank and the law firm of Gaughen, Gaughen, Lane & Hernando LLP. This agreement was reviewed and approved by the independent Directors of the Board.

The Bank strongly believes that using a single law firm to oversee all conveyancing, transactional, and collection activity provides material benefits to the Bank with respect to operational efficiency, quality, and speed of execution. The Bank also believes that the transparent alignment of interests between the Bank and the firm solves certain principal-agent problems that would arise if multiple, unrelated firms represented the Bank. In accordance with the terms of this agreement, the above fees are presented to the Board of Directors on a monthly basis. It is expected that the Bank will continue to have similar transactions with, and use the services of, the law firm of Gaughen, Gaughen, Lane & Hernando LLP in the future. Directors Kevin W. Gaughen, Robert A. Lane and Julio R. Hernando are partners of Gaughen, Gaughen, Lane & Hernando LLP.

It is expected that any future transactions between the Bank and its Directors, officers, holders of 5% or more of the shares of any class of its voting stock or any affiliates thereof will be on terms no less favorable to the Bank than could be obtained by the Bank in arm’s length negotiation with unaffiliated third parties. Any such transactions would be subject to review and approval by members of the Board of Directors independent with respect to said transactions.

ELECTION OF CLERK

(Notice Item 2)

At the Meeting, the Clerk is to be elected to hold office until the next annual meeting and until his or her successor is duly elected and qualified. It is the responsibility of the Clerk to maintain a complete and accurate record of all votes and proceedings of the stockholders and of the Board of Directors at their respective meetings, as well as to perform such additional duties as the Board of Directors may from time to time determine.

The Board of Directors recommends that Jacqueline M. Youngworth be elected as Clerk of the Bank, to serve until the next annual meeting and until her successor is duly elected and qualified or until her earlier resignation, death or removal.

Mrs. Youngworth has served as a Director of the Bank since 1997 and as Clerk since 2015. Mrs. Youngworth has never been employed by the Bank. Biographical information about Mrs. Youngworth is set forth under “ELECTION OF DIRECTORS.”

Unless contrary instructions are given, shares represented by proxies solicited by the Board of Directors will be voted FOR the election of Jacqueline M. Youngworth as Clerk of the Bank to serve until the next annual meeting and until her successor is duly elected and qualified or until her earlier resignation, death or removal. A quorum being present, the affirmative vote of the holders of a plurality of shares is required to elect the Clerk of the Bank.

The Board of Directors recommends that the stockholders vote FOR the election of Jacqueline M. Youngworth as Clerk of the Bank.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

(Notice Item 3)

The Board of Directors is committed to excellence in governance and the development and retention of the highest quality management team. As part of that commitment, the Board of Directors is providing the Bank’s stockholders with an annual opportunity to approve an advisory vote on the compensation of our named executive officers as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the “Compensation Discussion and Analysis,” the compensation tables and the related narrative discussion contained in this proxy statement.

This proposal, commonly known as a “say-on-pay” proposal, gives the Bank’s stockholders the opportunity to endorse or not endorse the Bank’s executive pay program and policies. In accordance with Section 14A of the Exchange Act, we are asking stockholders to indicate their support for the compensation of the Bank’s named executive officers as disclosed pursuant to the Securities and Exchange Commission’s compensation disclosure rules by voting FOR the following advisory resolution:

“RESOLVED, that the compensation paid to the Bank’s named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, compensation tables and related narrative discussion contained in the 2019 proxy statement is hereby approved.”

As an advisory vote, this proposal is not binding upon the Bank. The Board of Directors and Nominating and Personnel Committee value the opinions expressed by our stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for named executive officers. At our 2017 Annual Meeting, stockholders approved an advisory vote on executive compensation with approximately 98.7% of the shares present and voting on such matter voting in favor. At our 2018 Annual Meeting, stockholders approved an advisory vote on the Bank's executive compensation with approximately 96.8% of the shares present and voting on such matter voting in favor. The Board of Directors believes that the support received from stockholders at the 2017 and 2018 Annual Meetings serves to validate the Bank's approach to compensation, and did not make any changes in 2017 and 2018 in response to the votes.

The Board of Directors recommends that the stockholders vote FOR the approval of the compensation of the Bank's named executive officers as disclosed pursuant to the Securities and Exchange Commission's compensation disclosure rules.

ADVISORY VOTE ON THE FREQUENCY OF FUTURE EXECUTIVE COMPENSATION ADVISORY VOTES

(Notice Item 4)

As part of the Board of Director's commitment to excellence in corporate governance, and as required by federal securities laws and as described in Proposal Three above, the Board of Directors is providing the Company's stockholders with the opportunity to cast an advisory vote on the Bank's executive compensation. This Proposal Four provides stockholders with an opportunity to cast a non-binding advisory vote regarding the frequency of future executive compensation advisory votes. Stockholders may vote for a frequency of every one, two or three years, or may abstain from casting a vote.

As an advisory vote, this proposal is not binding upon the Bank. The Board of Directors and Nominating and Personnel Committee value the opinions expressed by our stockholders in their vote on the proposal and will consider the outcome of the vote when establishing the frequency of future advisory votes on executive compensation.

The Board of Directors recommends that the stockholders vote for a frequency of every "ONE YEAR" for future executive compensation advisory votes.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected the independent registered public accounting firm of Wolf & Company, P.C. ("Wolf"), to be the independent auditors of the Bank for the fiscal year ending December 31, 2019. Wolf has no direct or indirect financial interest in the Bank nor has it had any connection with the Bank in a capacity of promoter, voting trustee, Director, officer or employee. A representative of Wolf is expected to be present at the Annual Meeting to respond to appropriate questions and will have the opportunity to make a statement if such representative so desires.

Wolf has served as independent auditors of the Bank since July 23, 1993 and, prior to the year ending December 31, 1990, Wolf served as independent auditors of the Bank for more than ten years. For the two fiscal years ending December 31, 1991 and 1992, the Bank selected the firm of KPMG, independent certified public accountants, to be the Bank's independent auditors.

The consolidated financial statements of the Bank as of December 31, 2018 and 2017 and for each of the

years in the three-year period ended December 31, 2018, have been audited by Wolf. All such financial statements are included in the Bank's Annual Report on Form 10-K for the fiscal year ended December 31, 2018, which may be obtained at www.hinghamavings.com.

The Audit Committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by the Bank's independent auditor. This policy provides that the Bank will not engage its independent auditor to render audit or non-audit services unless the service is specifically approved in advance by the Audit Committee or the engagement is entered into pursuant to appropriate pre-approval procedures. To date, the Bank has not adopted any pre-approval procedures. The Audit Committee pre-approved all services and fees of Wolf set forth below.

Audit Fees

Wolf billed the Bank an aggregate of \$195,000 and \$191,000 in fees for professional services rendered in connection with the audit of the Bank's consolidated financial statements for the fiscal years ended December 31, 2018 and 2017, respectively, including reviews of the financial statements included in each of the Bank's Quarterly Reports on Form 10-Q. The fees for both 2018 and 2017 included an audit of internal controls over financial reporting.

Audit-Related Fees

Wolf billed the Bank an aggregate of \$2,000 and \$1,850 in audit-related fees for professional services rendered to the Bank for the fiscal years ended December 31, 2018 and 2017, respectively. These fees related to agreed-upon procedures in connection with the Bank's Savings Bank Employee Retirement Association (SBERA) 401(k) plan.

Tax Fees

Wolf billed the Bank an aggregate of \$28,000 and \$27,000 in fees for tax related services rendered to the Bank and its affiliates for the fiscal years ended December 31, 2018 and 2017. These fees included the quarterly estimation of taxes due, the annual preparation of Federal and State tax returns for the Bank and its subsidiaries, and an annual tax planning meeting.

All Other Fees

Wolf did not bill the Bank for other fees for professional services for the fiscal years ended December 31, 2018 and 2017.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Bank's management is responsible for the Bank's internal controls and financial reporting process. The Bank's independent registered public accounting firm is responsible for performing an independent audit of the Bank's consolidated financial statements, issuing an opinion on the conformity of those financial statements with generally accepted accounting principles, and issuing a report on internal control over financial reporting. The Audit Committee of the Board of Directors oversees the Bank's internal controls and financial reporting process on behalf of the Board of Directors.

The Audit Committee is currently composed of six members and acts under a written charter first adopted and approved in 1993. The Board has determined that all members of the Audit Committee are independent Directors, as defined by its charter, the applicable NASDAQ rules, and Part 363 of the FDIC Rules and Regulations. The Board has designated Robert K. Sheridan as the "Audit Committee Financial Expert" as that term is defined by the Securities and Exchange Commission, in light of his experience as the long-serving

president and CEO of the Savings Bank Life Insurance Company of Massachusetts.

The Audit Committee held four meetings during the fiscal year ended December 31, 2018. The Committee has met and held discussions with management and the independent registered public accounting firm. Management represented to the Audit Committee that the Bank's consolidated financial statements were prepared in accordance with generally accepted accounting principles and the Audit Committee has reviewed and discussed the audited consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by Auditing Standard No. 1301, Communication With Audit Committees, including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of the disclosures in the financial statements.

The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board and has discussed with the independent registered public accounting firm the firm's independence from the Bank and its management.

The Audit Committee discussed with the Bank's independent registered public accounting firm the overall scope and plans for their audit. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their audit, their evaluation of the Bank's internal controls and the overall quality of the Bank's financial reporting.

Based on its discussions with management and the independent auditor, and its review of the representations and information provided by management and the independent auditors, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Bank's Annual Report on Form 10-K for the year ended December 31, 2018.

OTHER MATTERS

The Board of Directors knows of no business which will be presented for consideration at the Meeting other than that set forth in this Proxy Statement. The enclosed form of proxy confers upon each proxy holder discretionary authority to vote the shares represented by such proxy in accordance with his or her best judgment with respect to any other matter which may be properly presented for action at the Meeting.

STOCKHOLDER PROPOSALS

No person who intends to present a proposal for action at the 2020 Annual Meeting of the Stockholders of the Bank may seek to have the proposal included in the proxy statement or form of proxy for the meeting unless that person (a) is a record or beneficial owner of shares of Common Stock representing at least \$2,000 in market value or 1% of the securities entitled to be voted on the proposal at the meeting, which shares have been continuously held by such person for at least one year, continue to be owned by such person at the time the

proposal is submitted and through the date on which the meeting is held, (b) notifies the Bank in writing of his or her intention to appear personally or by appropriate representative at that meeting to present his or her proposal for action, (c) submits his or her proposal so that it is received at the Bank's principal executive office on or before November 13, 2019 for inclusion in the appropriate proxy statement and form of proxy relating to such meeting, and (d) otherwise satisfies the requirements of Rule 14a-8 under the Exchange Act. The Bank's By-Laws govern the submission of nominations for director or other business proposals that a stockholder wishes to have considered at a meeting of shareholders. These advance notice provisions are in addition to, and separate from, the requirements that a stockholder must meet in order to have a proposal included in the proxy statement under Securities and Exchange Commission rules. In this regard, the Bank's By-Laws provide that any Director nominations and new business submitted by stockholders must be filed with the Clerk of the Bank at the principal executive offices of the Bank at least 90 days (January 25, 2020), but not more than 120 days (December 26, 2019), prior to the first anniversary of the preceding year's annual meeting unless the date of the annual meeting is advanced by more than 20 days, or delayed by more than 60 days, from the first anniversary of the preceding year's annual meeting, in which event the By-Laws state different notice requirements. The By-Laws also provide that no other nominations or proposals by stockholders shall be acted upon at the meeting. Any such Rule 14a-8 proposal or nomination submitted pursuant to the advance notice provision should be mailed to: Clerk, Hingham Institution for Savings, 55 Main Street, Hingham, MA 02043.

STOCKHOLDERS SHARING THE SAME ADDRESS

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of our proxy statement or annual report may have been sent to multiple stockholders in the same household. We will promptly deliver a separate copy of either document to any stockholder upon request submitted in writing to us in care of Robert H. Gaughen, Jr., Chief Executive Officer, Hingham Institution for Savings, 55 Main Street, Hingham, MA 02043, or submitted over the phone by calling us at (781) 749-2200. Any stockholder who wants to receive separate copies of the annual report and proxy statement in the future, or who is currently receiving multiple copies and would like to receive only one copy for his or her household, should contact his or her bank, broker or other nominee record holder, or contact us at the above address and phone number.

EXPENSES OF SOLICITATION

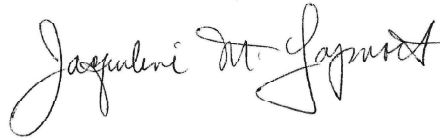

The Bank will bear the cost of preparing, assembling and mailing the Notice, Proxy Statement and form of proxy for the Meeting. Solicitation of proxies will be primarily through the use of mails, but regular employees of the Bank may solicit proxies by personal interview, by telephone or by mail without additional remuneration therefore. The Bank will also provide persons, firms, banks and corporations holding shares in their names, or in the names of their nominees, which in either case are beneficially owned by others, with proxy materials for transmittal to such beneficial owners and will reimburse such record holders for their reasonable expenses in so doing. In addition, the Bank has retained Regan & Associates, Inc. to aid in the solicitation of proxies from individuals, brokers, bank nominees and other institutional holders for the 2019 Annual Meeting, for which a base fee of \$6,500 (plus out-of-pocket expenses) will be paid.

The Board of Directors would like to have you attend the Meeting in person. However, whether or not you expect to attend the Meeting, it is very important that your shares be represented. Therefore, it would be helpful if you would sign and date the enclosed form of proxy and promptly return it.
